Barium Messenger

VOL. 24 | BARIUM SPRINGS, N. C., OCTOBER 1947 | NO. 12

PRESBYTERIAN ORPHANS' HOME began its work when some motherless children were found whose father had deserted them. Since that time the HOME has ministered to over two thousand dependent children.

The HOME undertakes not only to give the children under its care a subsistence, but to give a normal life of study, work and play, so that they may live while here a happy life and be fitted for usefulness in the Church and community.

The cost of all supplies and services is constantly increasing. We are sure you will not be unmindful of that in making your THANKSGIVING OFFERING.

PRESBYTERIAN ORPHANS' HOME
BARIUM SPRINGS, N. C.

WILL YOU GIVE ONE DAY'S INCOME TO YOUR HOME FOR DEPENDENT CHILDREN?

The High Cost of Orphanage Financing And the Thanksgiving Offering

Eleven months in the year we try to bring to you in The Messenger the news of the Home, interesting events in the lives of the individual children here, interesting things that happen to us as an institution, the doings of our alumni, and in all of these months we try to keep in the background family matters, such as paying the grocer, meeting the payroll, etc.

But in this one issue which comes to you just before Thanksgiving we have to let our hair down and really tell you some of the things that we face. We only have to go back a few years and compare prices with those that we have to pay now and it does not seem like we are living in the same country. As an extreme example let us tell you about coal. Fifteen years ago we installed stokers in order to utilize the very cheapest grade of coal which we bought at that time for fifty cents a ton. The railroads brought it to us for half freight rate, altogether the coal cost us at our boiler less than $2.00 a ton. Now we pay a full rate and $5.10 a ton at the mines for this same identical coal. We have put in coal-saving devices but our coal bill is more than doubled, of course.

All the clothes that we buy and such food as we have to purchase has increased in like manner, although not to that extent. We are raising a larger proportion of our food than ever before and we have been blessed with bountiful crops. As we write this our barns are full of hay, our cribs are full of corn, we have enough pigs and steers to guarantee us our meat rations for the winter, our apple house is filling up with apples, and potatoes and other things are being stored

Report of Barium Alumni Association

The Barium Springs Alumni Association met at 1 P. M. in the Grammer School Auditorium. Approximately fifty members attended and paid dues for the coming year.

The meeting was called to order by the president; minutes of the last meeting were read and approved, treasurer's report heard, and a Thanksgiving offering ($36.56) taken.

Following the report of the committee on disposition of the Memorial Fund, it was voted that the Alumni Association would buy the pulpit furniture for the new church. Reid Brown will continue as treasurer of this Memorial fund, and he urges that each of us help him get a complete and up-to-date mailing list. Additional contributions to the Fund are expected, and it is hoped that when the time comes to spend it there will be

The Message of the Pulpit

By Rev. R. S. Arrowood

Isaiah 38:16 - O Lord, by these things men live.

In this text we have the expression of one of the greatest and best kings Judah ever had, King Hezikiah, in the greatest moment of his life. King Hezikiah's life had been spared fifteen more years. He had been drawn back from the jaws of death by the mercy of God. So he meditates upon the true meaning and values of life. The light grows brighter and we hear him say Lord, by these men live.

Hezikiah had been very sick and in that time of trouble had found that men live by prayer. He had prayed to live and God had heard his prayer and granted his request.

Home-coming Day at Barium Springs.— Everything Fine But the Weather and the Score

We used to have Home-coming Day in November and it always rained. Then we moved it back to October and for several years we have had perfectly clear beautiful weather. We did not always win our ball games during that pretty weather but outside of that the Home-coming was perfect. This year we had a return of the rain and it looked like a lot of our fun was going to be rained out. It rained so much in the morning that we could not have our outdoor picnic dinner - we had to have that inside. At the half at the football game it really did pour, but the crowd hung on and witnessed a very good football game with Barium staying on the short end of the score.

People began coming in to Home-coming on the afternoon before. Maude Inman and her sister, Anna, were the first to come and then Anna Turner came in. Incidentally, Anna brought lots of folks presents and the one she gave us was the most beautiful of the lot. By ten o'clock there were so many that we had to reserve a special place at our pep meeting for them. The boys in college were particularly in evidence. There were six from Carolina, two from State, two from Catawba, and one from Davidson and two from Mitchell. More would have been present from Davidson but for a football game which took place there on the same afternoon. Children were more in evidence than ever before. Nellie Culp with her four and Linda with her one were about the biggest single carload that came in.

At the meeting of the alumni the same officers were re-elected for another year: Irene McDade of Barium Springs, president; Reid Brown of Burlington, treasurer;

(Continued On Page Three)

Barium Children Take Mountain Trip

Several weeks ago some of our larger girls had occasion to make a trip to Morganton. They were so impressed with the mountains on either side of the road as you go to Morganton that we thought it would be a good idea to let them see some real mountains. Mrs. Bryant first conceived the plan and it has worked out so well that she deserves a trophy of some kind. Here's how it worked out. On Saturday morning around nine o'clock a bus load of about 32, a station wagon of 10, and a carload of 5 left Barium Springs on Highway 21. They journeyed up through Elkin, Roaring Gap, took a quick look around the grounds of Greystone Inn, then on to the Parkway, and along the Parkway to Wildcat Rocks where the party stopped for a weiner roast and for a ramble. Then back home by route 16 and North Wilkesboro, arriving

Campus News

HOWARD COTTAGE

We had a nice begining of school this year. Twelve girls made the honor roll, they are: Laura Jane Craig, fourth grade; Linda Inman, Lois Dellenger, Betty Anna Blackburn, Phoebe Cochran, Shirley Shaw, Shirley Ann Hollifield, Mary Bowles, Letha Walker, fifth grade; Shirley Byrd, Louise Bradshaw, and Carol Jean Andrews, sixth grade. Three out of four of the sixth grade girls made the honor roll. Elizabeth Ann Huddleston just made one S-. Each child that made the honor roll will be rewarded with something nice done for them.

We went to the fair on Wednesday, Oct. 8. We were lucky not to wear our shoes because if we had they would have gotten messed up. We had a wonderful time.

There has been several football games this year. Our last game was on Home-coming. Our luck was rather bad that day. We lost the game and also during the game the rain just poured down and we got wet to the skin. The day had a wonderful ending after all. We saw several of our old friends and after supper we had fun blowing plastic ballons.

We have new Sunday coats, they are red, blue, green, brown and plaid. Some of them were made at the sewing room and they are just lovely. You must come to see us when we get dressed up.

— The Howard Girls

LEES COTTAGE

Dear Friends,

We are having a good time going to school. We got our report cards the other day and some of us are going to have to do a little better next time.

We are enjoying the football games. We are sorry we didn't win the Home-coming game. We all got wet.

Now is the time for us to pick up apples and put them away for winter.

The campus has been beautiful for the last few weeks, the leaves are falling now and we will be raking them up soon and carrying them to the barn.

We are enjoying our concrete walk in front of our house.

We went to the show the other week and had a good time.

— The Lees Boys

BABY COTTAGE

It has been a long time since you have heard from the Baby Cottage. We are all here except one, Nancy Yandle. She is now with her mother. We miss her very much. We have been enjoying nice fall weather and go out on the campus and gather nice acorns.

We also went to the Home-coming football game. Mrs. Arrowood is teaching us kindergarden so you see we are getting ourselves ready for school next year. We feel like big boys and girls going to school every morning. You should see our Holloween faces and pumpkins we have been making at kindergarden. You should see us with our Holloween costumes.

Tomorrow we have a birthday table for the ones who had a birthday in the month of October. Only one baby girl and one big sister get to go. They are Linda Shephard and Florence Andrews.

We have had quite a bit of company these past two months.

Well folks this is all the news for this time. Look for us again next month when we will be back to tell you more about our good times.

Until then so-long.

— The Babies

SEWING ROOM

Hello Friends,

Here we are again bringing you the latest news and gossip of the last two months.

The sewing room looks different from what it has in previous years, because of the many coats and skirts Mrs. Smith and Mrs. Fox have been busy making while we have been at school.

Last Saturday we made a delightful trip to the Blue Ridge Mountains. where we spent the day roaming the mountains and enjoying the beautiful scenery. Incidentally our matron, Mrs. Bryant had been there before and could show us many sights we would not have noticed otherwise. We don't know who enjoyed it most, the girls or Mr. Johnston.

Since the gossip is usually the main subject of our column, we'll start on it now.

Virginia Presnell now looks her age. She has recently cut bangs. Incidently she's seventeen.

Janie and Mildred have been talking a great deal lately about bears. Is it time for the hunting season to start?

Bradley felt right at home Saturday in the mountains. To watch her climb the mountains you would think she was an old hand at it.

Ernestine Baldwin, better known as Mrs. Elizabeth Porter to her classmates, hopes to be the first woman president of the United States. You have stiff competition, Ernie.

Sadie Buie is having a hard time trying to make up her mind??

Lucille has been feeling mighty sharp lately. Could be she's eating too many Clark candy bars too.

Look for us next month.

— The Sewing Room Girls

WOMANS BUILDING

Hello Friends,

Since you heard from us last, two or three big events have happened to us.

The first and most important event was Home-coming which took place Friday. Usually the Home-comers eat at the dining room, but this year they ate in the basement of the Woman's Building which was decorated by Mrs. Bryant, Mrs. Harwell, Mrs. Gresham and Mrs. Williams in the Autumn motif. In the afternoon of the same day we saw our boys defeated in football by the Lexington "Yellow Jackets."

A second big event to happen to the Woman's Building girls alone, but which will happen to the Rumple Hall girls next Saturday was a trip to the Blue Ridge Mountains. We traveled along the new Scenic Highway which provided us with beautiful autumn scenery. We stopped at Wildcat Rocks Picnic Grounds to eat and roamed around for an hour enjoying the picnic grounds.

We wish to thank Mr. Johnston and Mrs. Bryant for making it possible for us to see the mountains at a time when they are at their prettiest.

Not long before school opened a grill was built behind Woman's Building for our use at any time. The Junior and Senior girls have been cooking supper on Sunday nights for the football boys ever since it became usable.

We are proud to boast of the high percentage of honor rolls we had at our cottage last month. I find it a privilege to list the names here. From the Senior Class we had Ernestine Baldwin, Bradley Jeanne Manus, Mildred Monroe, Betty and Peggy Coffey and Lucille Stricklin. From the eleventh grade, Margaret Bullard. From the tenth grade, Lorene Hall and Betty Sue Wolfe. From the ninth grade, Joyce Katen and Frances Stricklin.

— Margaret Bullard

ANNIE LOUISE COTTAGE

Hello Friends,

Well, here we are back again with the cottage news and we have lots to say.

We have gotten our report cards for the first time and eleven of our little girls got on the honor roll and one of our big sisters. We are all proud of them and hope that all of us can get on it next time.

Friday, Oct. 17 was Home-coming at Barium. It was so nice to see all of our friends back. Our game Friday was almost rained out but we still had a good time.

The campus is very colorful now with all the leaves changing it makes it very beautiful. We hope they will stay on the trees a long time but soon we will be raking them up and the trees will be bare. But we won't mind raking leaves as long as the days are pretty and bright. We'll get them up befor the winds start blowing. I guess every one knows how hard it is to rake leaves when the wind is blowing in every direction.

Holloween is just around the corner. We are all looking forward to it very much because that is the time when we can look as ugly as we want too.

Until next month.

— The Annie Louise Girls

INFIRMARY

"Up to the moment."

Hi Folks,

Here we are bringing you the news from Sick Bay.

First of all we wish to thank the Circle No. 4 of Mooresville and Circle No. 1 of Washington for the nice books and other things they sent and brought us.

We sure were glad to see the visitors who came back for Home-coming Friday. We had a picnic lunch for them and then we played Lexington and they won 31 to 0. Although it rained the last half of the game the boys kept on playing but most of the visitors left.

We are having a few sick ones, some with colds and headaches, nothing really serious.

We will say so long until we bring you the news from our cottage next month.

— Infirmary Girls
Marie Andrews

SYNOD COTTAGE

Hello Friends,

We sure wish you could see how beautiful our campus is now. All the trees are turning and their colors really do make a pretty picture. The Lees boys have been busy raking leaves.

Our report cards came out Monday and a number of us made the honor roll. More of us are going to try to make it next month.

The Board of Regents came to see us Tuesday and we had the birthday table then. Only three of us went. They were Richard Blackburn, Jerry McArthur and Memory Thompson. The Regents went too.

We had Home-coming last Friday and a football game with Lexington. We lost 31 to 0. During the middle part of it there was a hard rain. Most of us left.

We'll be seeing you next month.

— The Synod's Boys

RUMPLE HALL

The Rumple Hall girls have been busy this month with their home duties. Mixed with these, we have had lots of pleasures. Ball games at Davidson and Charlotte. Mr. Johnston was good to let us go. We had such a nice time Oct. 17 which was Home-coming day. Our boys played Lexington and they were our supper guests. We are always glad to have guests.

We are going on an all day trip to the mountains Saturday. Mr. Johnston, Mrs. Stephens and Mrs. Harwell are going with us. We are expecting a good time. We hope it will be a beautiful day. We are thankful for all the good things that have come to us.

We are very glad that school has started, we are having a very nice time in school.

The next game that our boys are playing is going to be with Davidson Freshmen.

Basketball will start in the middle of November. The last football game that we are going to play will be with Statesville. The Rumple Hall girls will play during the half so if you want to see a good game come to the very last one that we play.

We have two girls up at Rumple Hall that made the honor roll. They are Patty Inman and Aline Thomas.

— The Rumple Hall Girls

Barium Children Take

(Continued From Page One)

home about 5 o'clock. It does not sound like much in this brief telling and yet the number of adjectives used by these 43 girls, there were four grown people along, would if placed end on end certainly reach around the world.

The elevation produced symptoms resembling sleeping-sickness, high blood pressure, bad hearts, and plain hunger. As the day progressed and the journey lengthened all the other symptoms merged into just one of plain hunger, and when we finally arrived at the picnic grounds and were trying to coax some reluctant wood to burn so that we could roast our weiners, the hunger pangs became acute. We had intended to have a weiner roast, but the fire was so slow in burning and our hunger was mounting so rapidly that we lived on smoked weiners rather than roasted weiners, but the digestions we carried along were perfectly capable of handling weiners in any style.

The girls spent a little more than an hour ranging over the grounds at this picnic place in the mountains and got enough scenery in their systems to pretty near fill them up to capacity. They were not too much interested on the way home; in fact, some of them slept through the interesting downmountain trip, but they came back home most enthusiastic about the trip, North Carolina and the country at large in general.

We were impressed with the beauty of the Scenic Highway, the way it is kept up, the efforts made to beautify it the care with which spaces have been provided for cars to stop and view the scenery. While we were at our picnic grounds two of the park's rangers stopped and inquired where we were from. They gave us valuable road information about the return trip and were most solicitious for our pleasure and safety. We told them that we were planning to bring another group of younger children on the same trip and they gave us valuable tips as to how to arrange that to make the trip even more delightful. These things make us so enthusiastic about our country that we are inclined to pay no attention to the headaches that arise around January 1st to March 25th when income tax reports are in order.

A Message of the

(Continued From Page One)

And in his hour of sorrow he had done more than utter a petition for himself, he has found fellowship with God and worshipped him. So have sorrowing souls in every age. Jesus said "My soul is exceeding sorrowful even unto death, tarry ye here and watch with me." And he went a little further and fell on his face and prayed.

"All ye who journey soon or late
Must pass within that garden gate,
Must kneel alone in silence there
And wrestle with some dark dispair.
God pity who only say 'let this cup pass'
Who never say 'not mine but thine,' and cannot see
The purpose of Gethsemane.

Hezikiah lived by obedience. In verse three we read "Remember, O Lord, I beseech thee, how I have walked before thee in truth and with a perfect heart, and have done that which is good in thy sight."

To most of us life is not always serious sickness, sad bereavement, terrible tribulation. Our lives are subject to these things. They happen sooner or later to all. But for the most part our life is in the workaday world doing our part in the home, the school, the community, the church. In all our dealings we should live by high moral principles, walking in truth with a perfect heart, doing that which is good in the sight of God.

Hezikiah lived by faith. The historian who wrote the eighteenth chapter of the Book of II Kings says this of Hezikiah; "He did that which was right in the sight of the Lord - - - He trusted in the Lord God of Israel - - - He clave to the Lord and departed not from following him." Hezikiah had shown great faith all the days of his life. As a young man he had succeeded his no good father, Ahaz, on the throne. Ahaz had sold out to the Assyrians; had removed sacred furniture from the Temple; and had brought in heathen gods and shrines. The Chronicler, after he had with blistering words described the iniquities of Ahaz, wrote for him the devastating epitah; "This is that King Ahaz."

Hezikiah took the throne when the Temple was closed; no priest, no worship; the country disorganized; groaning under the rule and tribute of Assyria; the people were at a low ebb spiritually. Isaiah describes them as smear eyed, dull eared, and fat hearted, worshipping the gods of nature on high hills and under green grass; bowing down to the old brazen serpent Moses made in the Wilderness and forgetting to worship the God of Moses.

Hezikiah showed his faith by his works. He hewed in peices the brazen serpent; he cleansed the Temple; and restored its priests; liturgy, and choral service. In close cooperation with Isaiah and Micah, he led the people back to the worship and service of God. He looked to God in faith and by a miracle the army of the Assyrians was destroyed and Jerusalem was saved.

"This is the victory that over cometh the world even your faith."

Hezikiah lived by a consciousness that God loved him. In verse seventeen we read; "Thou hast in love to my soul delivered it."

Sometimes the providence of God is hard to understand. "He leads us on by paths we do not know." But when we can believe as did Hezikiah that every stroke of chastening is in love; that the blows we endure are not the bludgening of blind fate or the vindictive fury of an angry deity, but the way a God of Love leads us through storm and tempest to a higher holier life, we can say with Job, "Though he slay me, yet will I trust in him."

Hezikiah lived by praise to God. In contemplation of the goodness of God and his mercy in prolonging his days, Hezikiah wrote this passage which we are studying today, set it to music so it could be sung in the Temple supported by stringed instruments. (See verses 19 and 20)

As we approach the Thanksgiving Season we are reminded that we should not confine our praise to one day in the year but every day should be Thanksgiving Day in America. In this land which is still safe and still free and still prosperous and still full of plenty, we should daily praise God from whom all blessings flow.

And when at last by prayer and faith and righteous service to our loving Heavenly Father we reach the haven of our souls and enter into a closer fellowship with God; when with undimmed eyes we know as we are known, and enter into a deeper experience of his boundless love, then may we rest our souls in his compassion, and the abundant life will possess our spirits. Then from the fulness of our hearts we will join the much people of heaven saying "Alleluia! Salvation and glory and honor and power unto the Lord our God." And life will grow sweeter and richer and fuller throughout eternity.

For by these things men live.

The High Cost of

(Continued From Page One)

away in abundance. But the cost of producing these things has increased - fertilizer, the labor such as we have to employ, the equipment, the expense of running that equipment and keeping it in repair, all have advanced tremendously, so much so that the money that we thought was ample just a few years ago will not carry the load today. We have added to our case work department in an effort to more thoroughly work out every possible means of caring for children without crowding Barium Springs. We are utilizing more and more the boarding home idea, especially for very young children. This is more economical because we can often enlist the help of other agencies in this.

All of this is an effort to stretch your dollars further, but in spite of it all we find ourselves more in need of a bountiful Thanksgiving Offering than ever before in our history.

Those of you who have kept up with Church affairs know that every year more and more things are added to the budget of the Church and the giving to the various causes, such as Home Missions, Foreign Missions, and the like has been increased, and no one can find fault with that. The need is great and must be met, but these things have meant the lowering in many instances of our gifts from the regular Church budget. Our percentages have been cut and we today can depend on less money from that source than before.

The only large source of revenue other than this on which we depend is the Thanksgiving Offering, and that is right before you now. What you do during Thanksgiving Season will largely determine the welfare of Barium Springs for the next twelve months.

We had hoped that when Social Security and Aid to Dependent Children began working we would feel its effects and that many cases of dependency would be wiped out. That probably is the case, but in their place have come many, many other calls.

The adjustments necessary following the end of the war have not all been made; many homes are broken in spite of the best efforts of the parents to make a go of it. The helping hand of the Orphanage is needed in more different ways now than ever before.

Barium Springs has endeavored in every way not to be greedy. Back in '41 plans had been made for making an intensive drive for building funds, but before this could get going the war came on and those plans were dropped. Ever since there has seemed to be something of a greater necessity than our need for new buildings and this plan has been postponed from year to year. Even today we do not contemplate starting such a campaign. The money has come in to us for our Church from a different source, - Memorials. Money has come in to us from individuals that will enable us in the not too distant future to start our Children's Village. We hope money will come in for our Gymnasium, but we are not trying to shove any of these things ahead of the various drives of our Church, but we do come to you and lay the case of the Orphanage before you. We are trying our best to be economical and to make the money go as far as possible, but the total needed from you this year is greater than any sum we have ever asked from you before.

If we measure this sum in terms of a day's work it does not look so large, because the average income of our Church members has increased along with expenses, but if we measure it in the old time dollars it takes more of them. If you respond to our call as we have every reason to believe that you will we will not bother you with other headaches that may come our way, but will try for the rest of the year to bring you the cheerful and the happy news of this big family which we believe still occupies a high place in the affections of our Church. We look to you with hope and confidence.

Home-coming Day

(Continued From Page One)

Walter Beatty of Charlotte, secretary. There were quite a number of this year's graduating class present - Dwight Spencer, Lee Vinson, Earl Allen, Benny Gregory, Frances Isenhour, Myrtle Rushing, Miriam Huddleston, and then at the other end of the family was Mr. T. M. Alexander who was in the original group of children who started Barium Springs. He was here from 1891 to 1896. Of the couples of Barium children who were back there was Ed and Sallie Cole, James and Ann McDonald Shroyer, Howard and Grace Adams Beshears, John and Mabel Vinson Lee, Ed and Sadie Eudy Flowers, James and Lois Mott Hannon, and then, of course, there was Ralph and Bobby Marlowe Spencer and Wallace and Birdie Whitener Twombly.

To those of you who are interested, the football game turned out 31-0 in favor of Lexington. We could not soften those Lexington boys up on the football field, but we did certainly soften them up at supper. They had part of the meal prepared for the Home-comers and they seemed to enjoy it. In fact, they enjoyed the whole day and we did not feel too badly about it.

Report of Barium

(Continued From Page One)

considerably more than the present $650.00.

General officers for the next two years are: president - Irene McDade; vice-president - Walter Fraley; secretary- treasurer - Walter Beattie.

Correction: In our list of Thanksgiving Offerings in September we did not give credit to Morven Church in Mecklenburg Presbytery for any Thanksgiving Offering. We received $40.50 which was designated as a Regular Offering but which we now know was a Thanksgiving Offering. We are glad to make this correction.
